

L.B.E.F. Annual Giving Campaign Oct. 1st to Dec. 31, 2009

The vision of the Loomis Union School District is to become a premier district that offers “state of the art” programs for students. How do exemplary school districts across California offer premier programs with very limited funding from the State? The fact is districts with thriving education foundations are offering the absolute best education possible for students. With the recent budget cuts and these difficult times, it is extremely important to raise money to help our schools and enhance our children’s education.

The Loomis Basin Education Foundation (L.B.E.F.) seeks to raise funds to support the strategic plan and goals of the school district. We are asking all district parents to make a difference with a charitable donation to L.B.E.F. Annual giving can provide a huge leap towards funding the foundation. The suggested contribution is a dollar a day per student for a school year. Please donate any amount that is comfortable for you, as our goal is 100% participation by all families. L.B.E.F. also welcomes donations from the community and businesses. Together we can achieve our goal of bringing the Loomis Union School District to a “premier level of excellence”.

L.B.E.F. Goals

To assist in funding educational programs in the Loomis Union School District such as; technology, visual and performing arts, language arts, science, and foreign language for the seven elementary schools: Franklin, H.
