

SACRAMENTO STATE

Where can I take the ATS Qualifying Exam?

AT YOUR SCHOOL:

The *College Ability Test* is taken by more than 6,000 students at hundreds of Sacramento schools between January and March. Check with your school to see if they are offering the test. A \$15 processing fee is payable on the day of the test at school sites.

AT SACRAMENTO STATE:

Testing is also available at Sac State on the following Saturdays: **February 12, February 26, March 5, and March 19.** A \$15 processing fee is payable the day of the test. Contact ATS to reserve your place.

Costs and Financial Aid

ATS is a non-profit, self-supporting organization and receives no federal or state funding. In 2010, course fees for the 6-9 program ranged from \$114 to \$399, depending on the length of the course. For the 4/5 week-long sessions, course fees were \$235.

Over \$49,000 in financial support was granted to students last year. Financial aid information will be included in the *2011 Catalog*, which will be mailed to students and available online in March 2011.

"My favorite parts [of ATS] were the eateries, the atmosphere/environment, the attractions, ... the new friendships, and the hands-on activities... I would recommend ATS to other students because it is so much fun and exciting... One of [my new friends] is going to my middle school."

- ATS Student

Classes

Students take classes grouped by grade level: current 4th & 5th graders take classes separately from 6th-9th graders. For example, a 4th grader will not be in classes with 9th graders.

6TH-9TH GRADERS:

Over 100 classes are planned in a variety of subject areas. Some of the classes for 6th-9th graders include:

- Acting on Camera
- Bridge Design & Construction
- Cartooning: Anime & Manga
- Chemistry: Explosions & Ooze
- Cooking Like A Pro
- Drawing: Nature & Wildlife
- English Composition
- Fast-Paced Algebra I & II
- Forensic Science
- Health Care Careers
- Latin
- Photography
- Physics: Energy, Force & Motion
- Web Design & The Internet

4TH & 5TH GRADERS:

Over 20 classes are offered in different subject areas. Some 4th & 5th-grade classes planned include:

- Creative Writing: Fairytales
- Chemistry: Everyday Phenomena
- Drawing: Cartoons & Comic Strips
- Engineering & Architectural Design
- Fast-Paced Problem Solving
- Fun with Algebra
